

TAPE AIDS FOR THE BLIND

Tax season is upon us. Donate to Tape Aids and qualify for a tax benefit.

It's the time of year that many of us prepare our tax returns. If you haven't yet taken full advantage of the tax-deductible amount for donating to charitable causes, now is the time to do so.

Consider donating towards Tape Aids' Education Outreach **Hear-to-Read** programme, which focuses on Early Childhood Development and converting printed books into accessible **Talking Books**, especially for Learners with Special Education Needs (LSEs).

Help us Pay-It-Forward by the Blind and build a Nation of Avid Readers.

Why Tape Aids

- As an independent national Audio Library & digital book production Service for blind, vision impaired & print-disabled persons, we have been providing companionship and educational literature in the form of school textbooks, course material and examination papers, to our 18,000 beneficiaries free-of-charge for over 64 years. Over 1 million South Africans are blind or have low vision and more than 10% of our population is dyslexic.
- Our 500 volunteer narrators and proof-readers assist us in opening whole new worlds by converting the silent page into the spoken word in all official languages. Our Talking Books are available in universal standard mp3 formats and are enabled with our unique navigational feature for easy place finding by blind persons.
